

Creating Saving Account Action

Date	16.11.2022
Team ID	PNT2022TMID45335
Project name	AI BASED DISCOURSE FOR BANKING INDUSTRY

The screenshot displays the IBM Watson Assistant configuration interface. The top navigation bar includes 'IBM Watson Assistant Lite', 'Upgrade', 'MY BOT', and a 'Learning center' link. The main workspace is divided into a left sidebar and a central editor.

Left Sidebar (Flow Builder):

- Step 1: 'Continue to next step' (down arrow icon).
- Step 2: 'is No' (purple box).
- Step 3: 'Thank you, have a nice Day!' (Action complete).
- Step 4 (highlighted): 'is Savings Account'. Below it, a prompt 'What type of Savings Account?' is followed by two buttons: 'Kids Savings ...' and 'Regular Savi...'. A '+ 1' button is also present.
- Step 5: 'Regular Savings Account'.
- Step 6: 'Kids Savings Account'.

Central Editor (Step 4 Configuration):

- Assistant says:** A text area containing 'What type of Savings Account?' with a rich text editor toolbar above it.
- Responses:** Three buttons are shown: 'Regular Savings Account', 'Kids Savings Account', and 'Zero Balance Account'.
- Buttons:** 'Edit response' and 'Edit validation' are located below the response buttons.
- And then:** A section with a 'Continue to next step' button (down arrow icon).
- Preview:** A 'Preview' button with a play icon is in the bottom right corner.

A 'New step +' button is located at the bottom of the left sidebar.
